PMI® AUTHORIZED
CAPM® EXAM PREP WORKSHOP

Learn from the Experts!

Certified Associate in Project Management (CAPM) ®
is the starting point >>>

The Certified Associate of Project Management (CAPM) is a globally recognized credential that opens the door to opportunities at every stage of a career in the field of project management.

Why get CAPM® certified?

CAPM® certification can help you stand out in the job market:

- Demonstrates the industry and business knowledge to succeed in a wide range of project roles
- Enhances credibility and effectiveness working on — or with — project teams
- Recognizes knowledge of preeminent global standards and builds on your skillset to differentiate you to employers
- Shows a commitment to learning
- Helps gain experience and meet education requirements to apply for the Project Management Professional (PMP)®.

Workshop Duration

3-day Workshop

23 Hours

Workshop Description

The CAPM® certification is designed for professionals seeking recognition and validation in project management. It is ideal for those starting their project management journey or project team members eager to showcase their knowledge. Starting from 25th July 2023 the new CAPM® certification exam will be available, providing even greater support on your career journey. Beyond A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition, the new exam integrates content across project management, including business analysis and agile principles. By attending our CAPM® Exam Preparation Workshop and obtaining this prestigious certification, you will gain a competitive edge in the job market, enhance your credibility, and significantly boost your effectiveness while working on, or with, project teams.

Target Audience

- Professionals seeking to advance their careers by gaining project management skills or responsibilities.
- Individuals interested in starting a career in project management and looking to validate their knowledge.
- Project team members who want to demonstrate their project management expertise.

CAPM® EXAM PREP WORKSHOP

Workshop Outline
